Quickly dissolves ice, frost and snow from windshields, headlights, windows, steps, door locks, trunk locks and equipment. Spray on headlights to remove ice and frost for brighter and safer driving. Prevents and thaws frozen locks. Eliminates scraping which can damage glass. Helps prevent fogging when applied to inside of window surfaces. Improves traction of tires on extra thin ice. Will prevent ice formation for hours if used in advance.

SPRAY ON IN ADVANCE OF COLD WEATHER TO PREVENT ICE FROM FORMING

DIRECTIONS

Brush away loose snow and ice on windshield. Be sure to keep can upright when spraying. Spray liberally on the surface to be de-iced.

TO DE-ICE WINDSHIELDS: Spray liberally and turn on windshield wipers for faster results.
TO DE-ICE OTHER SURFACES: Spray liberally and rub lightly with a cloth or absorbent paper towel.
TO THAW A FROZEN LOCK: Spray liberally directly into lock; wait approximately 30 seconds, then try key. Spraying door locks once a week will prevent future freezing.
TO PREVENT FOGGING OF INSIDE WINDOWS: Wipe with a clean cloth dampened with product.

PRECAUTIONARY STATEMENT:

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Do not breathe dust/fume/gas/mist/vapors/spray. Keep away from heat, hot surfaces, sparks, open flames and other ignition source. No smoking. Wear eye protection/face protection. Use only outdoors or in a well-ventilated area. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. IF exposed or concerned: Call a POISON CENTER or doctor/physician. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Rinse mouth. IF ON SKIN: Wash with plenty of soap and water. Call a POISON CENTER or doctor/physician if you feel unwell. Take off immediately all contaminated clothing and wash it before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Dispose of contents and container in accordance with all local, regional, national and international regulations.
