TECHNICAL DATA SHEET

Product Name: GERMICIDAL MULTI-PURPOSE CLEANER WITH FOAM ACTION
Product Number: MARC 105

Description

MARC 105 is a foaming all-purpose cleaner that cleans, disinfects and deodorizes all in one easy step. Spray it on and wipe it off. It cleans and disinfects without scouring or scratching surfaces. M-105 kills most germs and helps stop the spread of disease. It is bactericidal, staphylocidal, pseudomonicidal, fungicidal and virucidal against numerous germs including H.I.V.-1 (Aids Virus), Herpes Simplex Virus Types 1 and 2, Canine Parvovirus and Legionella Pneumophila on hard inanimate nonporous environmental surfaces. It contains cleaning systems to safely and effectively remove dirt and grease on surfaces. Germicidal Multi-Purpose Cleaner with Foam Action deodorizes surfaces being cleaned, utilizing a unique combination of ingredients. The heavy foam clings to vertical surfaces for ease of cleaning and eliminates product waste.
It is an EPA-registered product that saves time by performing two cleaning operations in one step.

AREAS OF USE

Clean, disinfect and deodorize in one operation.
