Mint Power Off contains biodegradable detergents. It contains no petroleum distillates, chlorinated solvents, or ozone-depleting solvents, and is non-flammable.

DIRECTIONS: Spray on soiled area. Wipe surface with cloth, damp sponge or white paper towel. No rinsing necessary. To use as a laundry pre-wash, saturate soiled area, rub gently and launder as usual.

Do not use on varnished surfaces. If sprayed on glass or aluminum, wipe immediately.

WARNING! Contains butyl cellosolve and sodium metasilicate. Corrosive to eyes and skin; may cause burns. Harmful if swallowed. May be harmful if absorbed through skin or inhaled. Do not contact eyes, skin or clothing. Wear eye goggles and chemically resistant gloves. Do not take internally. Use with adequate ventilation. **FIRST AID:** In case of eye contact, immediately flush thoroughly with large quantities of water for 15 minutes and get medical attention. Immediately wash off skin with large quantities of water; get medical attention if irritation develops or persists. If swallowed, do NOT induce vomiting. Drink several glasses of water (if conscious) and get immediate medical attention. If inhaled, get fresh air.

KEEP OUT OF REACH OF CHILDREN!

HMIS/NFPA Ratings: Health, 1; Flammability, 0; Reactivity, 0.
