TECHNICAL DATA SHEET

Product Name:

CITRONELLA GRANULAR INSECT REPELLENT & DEODORIZER

Product Number: **MARC 206**

Description: MARC 206 Citronella Granular Insect Repellent & Deodorizer is a unique all-natural formula containing genuine Citronella blended into a long-lasting biodegradable granular base. It is used in areas where odor-causing waste and other materials attract insects. It can also be spread around grass and shrubbery to keep insects away from people and animals. The natural ingredient Citronella oil reduces and eliminates pests as it is disliked by insects such as flies, bees, mosquitoes, etc. **MARC 206** is non-hazardous.

MARC 206 Citronella Granular Insect Repellent & Deodorizer is used to control odors and pests in:

• Dumpsters • Garbage Receptacles • Trash Cans • Ash Trays • Sewer Manholes •
•Locker Rooms • Sand Urns • Pet Areas • Compactors • Storage Areas • Incinerators •
