FEATURES

Speed Wipes Plus will loosen and dissolve almost any tough dirt or grime, tar, grease, wax, ink, paint, lubricants and adhesives. **Speed Wipes Plus** are citrus-scented and non-scratching. They provide industrial-strength cleaning and yet are gentle and safe on hands and versatile enough for cleaning tools, machinery and other surfaces.

Speed Wipes Plus are fortified with an emollient and natural oils so they will not crack or dry hands. **Speed Wipes Plus** are the perfect product to use where there is no access to soap and water.

DIRECTIONS FOR DISPENSING

Remove lid by lifting upward. Remove foil seal. Pull towel from center of the roll and thread through "X" on the underside of the lid. Close lid. Pull towel at 90° angle. Snap hinged cap back into place to ensure towels stay moist.

HMIS RATINGS	Health: 0
	Flammability: 1
	Reactivity: 0

DIRECTIONS FOR USE

Unfold towel and scrub with the abrasive side of the towel until dirt or grease is loose. Then use the smooth side to wipe clean. Discard used towel.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.
