- ★ **ELIMINATES ODORS**

MARC SEPTIC TANK CLEANER contains billions of specially formulated anaerobic and aerobic enzyme producing bacteria which will promote natural digestion of waste in septic tanks.

MARC SEPTIC TANK CLEANER WILL NOT harm plumbing fixtures or lines.

MARC SEPTIC TANK CLEANER DOES NOT CONTAIN poisonous or corrosive materials and is non-caustic.

DIRECTIONS: (SHAKE WELL BEFORE USING.) Apply one quart for each 500 gallon capacity. May be applied through toilet (flush twice) or closest drain. For sluggish or troubled septic tanks, it is suggested you use a preventative maintenance program.

PREVENTATIVE MAINTENANCE: Make initial dosage of 10 oz. through toilet (flush twice) or closest drain to septic tank. Use a maintenance dosage of 2 oz. per month thereafter.

CAUTION: May cause eye and mild skin irritation. Avoid contact with open wounds. If eye contact occurs, immediately flush thoroughly with water. Get medical attention if irritation persists. If skin contact occurs, wash off thoroughly with soap and water. If swallowed, call a physician immediately.
