

## TECHNICAL DATA SHEET

**Product Name:** MELT-A-WAY

**Product Number:** MARC 8

- Melts snow and ice day and night
- Contains corrosion inhibitor
- Contains “Thermal Booster” which works to -27° F
- Works up to 3 times faster than ordinary ice melters
- Contains anti-caking ingredient
- Contains no hazardous chemicals
- Safe on floors and carpeting
- Each individual granule is a complete blend of ice melting ingredients
- Leaves no white or oily residue
- Will not harm vegetation when used as directed
- Do not use on concrete under one year old (due to freeze/thaw cycles)
- 100% soluble
- Color coded green to reduce over-application, which can cause tracking
- Bulk density is 60 pounds per cubic foot
- Non-flammable/non-combustible
- Economical usage rate:  
Snow – ¼ ounce per square yard  
Ice – 8 ounces per square yard per ¼ inch of ice
- Available in 50# E-Z open pails and 50# bags
