

## TECHNICAL DATA SHEET

**Product Name: MARCICIDE II PINE FRAGRANCE DISINFECTANT**

**Product Number: MARC 37**

**MARCICIDE II Pine Fragrance Disinfectant** is an effective disinfectant against a wide variety of gram-positive and gram-negative bacteria, and well as being virucidal and mildewcidal. It is also an excellent cleaner, and especially effective at controlling odors. It mixes with water to form clear, stable use-solutions, which are neutral, non-corrosive and non-staining.

Use **MARCICIDE II Pine Fragrance Disinfectant** on hard, non-porous inanimate environmental surfaces such as plastics, vinyl, synthetics, enamel, tile, common metals, glass, glazed porcelain, linoleum, tile, smooth leather, painted and finished wood surfaces, walls, floors, appliances and furnishings. It may be used in automatic floor scrubbing machines.

**Type of Product:** Concentrated Liquid Disinfectant, Cleaner and Deodorant

**Active Ingredients:** Pure Pine Oil and Quaternary Ammonium Chlorides ("Quats")

**Color:** Clear Amber-Yellow

**Fragrance:** Pine

**Specific Gravity:** 1.0

**Weight per Gallon:** 8.33 pounds

**pH:** 7 (Neutral)

**Flash Point:** 120°F

**VOC Content:** 8.7%

**Freeze/Thaw Stability:** Excellent

**Solubility in Water:** Complete

**Phosphates:** None

**Typical Dilution Rates:** 4 to 16 fluid ounces per gallon of water

R0418
