

TECHNICAL DATA SHEET

Product Name: SUPER STRIP
Product No.: MARC 39+

Form: liquid

Odor: butyl

Color: clear, light yellow

Specific Gravity: 1.04

Weight per Gallon: 8.68 pounds

Viscosity: low

pH of Concentrate: 13

Flash Point: none

Boiling Point: 212°F

Ammonia: none

Solubility in Water: complete

Foaming: low to moderate

Storage Stability: excellent

Normal Dilution Ratio: 8 to 12 ounces per gallon of water
