

TECHNICAL DATA SHEET

Product Name: WHITE LIGHTNING
Product Number: MARC 42

| | |
|---|---|
| Type of Product: | Metal crosslinked high speed floor finish |
| Solids: | 20% |
| Weight Per Gallon | 8.54 pounds |
| Specific Gravity: | 1.026 |
| Color: | Milky |
| Odor: | Low |
| Viscosity: | Low |
| pH: | 8.5 |
| Flash Point: | None |
| Freeze-thaw Stability: | Excellent |
| Storage Stability: | Excellent |
| Clarity of Dried Film: | Excellent |
| Resistance to Abrasion, Scuffing, Black Marking, Detergents, Yellowing: | Excellent |
| Resistance to Powdering: | Low |
| Gloss: | High |
| Buffability: | Responds to all buffing speeds, but especially to daily high speed propane buffing. |
| Coverage: | 2,000 to 2,500 sq. ft. per gallon |
| Minimum Drying Time: | 30 to 60 minutes |
| Recoatible: | Yes |
| Strippable: | Yes |
| Leveling: | Excellent |
