

TECHNICAL DATA SHEET

Rev. 04/09

Product Name: FIBERGLASS CLEANER

Product Number: MARC 5

Type of Product: sulfamic acid-based cleaner

Appearance: viscous, light green liquid

Fragrance: wintergreen

Specific Gravity: 1.05

Weight per Gallon: 8.8 pounds

pH: 1

Miscibility with Water: complete

Detergent Base: nonionic

Acid Fumes: none

Flash Point: none

Flammability: non-flammable, non-combustible

Storage Stability: excellent

Freeze Stability: excellent

Rinsability: excellent

Dilution: none required

Adherence to Vertical Surfaces; excellent

Cleaning Efficiency: excellent

Effective Against: scale, lime rust, soap, scum, body oils, and water stains

Areas of Use: bathtubs, showers, boats or any fiberglass surface
