- PROFESSIONAL USE
- CLEAN SMELLING
- FAST-ACTING

#### FEATURES

MARC Odor Neutralizer has been used effectively for years by fire departments and professional fire cleanup services for the tough job of removing smoke smells after fire damage. Its unique odor neutralization formula allows it to penetrate deeply into walls, carpets, drapes, clothing, etc.

MARC Odor Neutralizer can be used to absorb and deodorize musty and other offensive odors. It is an ideal product for use in gymnasiums, locker rooms, restrooms, or any other problem area.

MARC Odor Neutralizer makes a room smell fresh and clean while neutralizing bad odors. This makes it an excellent product for use by hotels, motels, apartments, offices or any public building or area that has to be deodorized daily.

**CAUTION:** Flammable. Contains isopropanol. May cause irritation. Harmful if swallowed. Do not use or store near heat, sparks, open flames or pilot lights. Avoid eye and prolonged skin contact. Use with adequate ventilation. Do not take internally. If contact occurs, flush thoroughly with water. If swallowed, give two glasses of water and induce vomiting (if conscious). Call a physician immediately! If inhaled, get fresh air. Read SDS before use. **Keep Out of Reach of Children.**

HMIS/NFPA Ratings: Health-1, Flammability-4,  
Reactivity-0.      MADE IN USA.      RM1100

- DESTROYS ODORS
- PENETRATES
- NON-STAINING

#### DIRECTIONS FOR USE

For effective odor control, spray **MARC Odor Neutralizer** into the air using a sprayer that will produce aerosol-size particles or use a good quality trigger sprayer. For more effective and longer lasting results, clean area thoroughly prior to fogging or misting. **MARC Odor Neutralizer** may also be used by dampening a cloth and wiping bathroom fixtures, door knobs, telephones, etc.

*FIRE DEPARTMENTS:* For removal of smoke and related odors, fog or spray **MARC Odor Neutralizer** directly on areas such as carpets, drapes, clothing, walls and all burned areas.

*SCHOOLS:* Use in gymnasiums and locker rooms to absorb and deodorize musty and other offensive odors. Spray **MARC Odor Neutralizer** directly on lockers, bleachers, sporting equipment, clothes and in shower stalls.

*HOSPITALS AND NURSING HOMES:* Spray **MARC Odor Neutralizer** to remove medicinal, urinal and sick room odors (such as severe burn and cancerous-type odors).

*INDUSTRIAL PLANTS:* Spray **MARC Odor Neutralizer** in areas where plant operations create various types of odors.

*HOTELS AND MOTELS:* Spray **MARC Odor Neutralizer** where needed to eliminate musty room odors.
