Steam Cleaning**

DIRECTIONS

Follow manufacturer's instructions that came with steam cleaning machine.

Approximately 2 to 6 fluid ounces of **MARC Hot Shot** will clean most items. Extremely soiled surfaces may require a stronger concentration. This product is very alkaline, and will neutralize acidic soils.

Although primarily compounded for use in steam cleaning machines, **MARC Hot Shot** may also be used as a "soak solution. Use 6 to 10 fluid ounces per gallon of warm or hot water.

Net Contents: 5 Gallons
