

## FEATURES

**MARC Energizer Plus** helps to ensure optimum performance in lift stations by inhibiting the adhesion of grease and slime to the sidewalls of lift stations. This allows lift stations to work more efficiently, makes cleaning easier and keeps them cleaner longer. **MARC Energizer Plus** penetrates and emulsifies greases, oils, slime and other deposits to help break them up and allow other treatments like a floating lift station degreaser such as MARC 266 NUKE to handle more material. **MARC Energizer Plus** also contains bacteria and catalytic enzymes to attack organic matter. Regular, weekly use of **MARC Energizer Plus** after a thorough clean out of the lift station, such as after using MARC 55 Liquid Organic Sewer Aid, MARC 59 Fireball granular sewer solvent or MARC 76 Xtreme granular sewer solvent, is ideal in helping to keep the lift station walls free from greasy buildups. **MARC Energizer Plus** can be used in conjunction with any other lift station treatment. It is biodegradable.

## DIRECTIONS FOR USE

For **MARC Energizer Plus** to be most effective, it is important that the proper amount be added weekly. For smaller lift stations (under six feet in diameter), add ½ gallon weekly. For moderately-sized lift stations (six to ten feet in diameter), add 1 gallon weekly. For large lift stations (over ten feet in diameter), add 1½ to 2 gallons weekly. In cases of heavy buildups or overloaded lift stations, add a larger quantity of **MARC Energizer Plus** or add more frequently.

# ENERGIZER PLUS

## LIFT STATION DEGREASING AID + BACTERIA & ENZYMES

### A Weekly Treatment for All Lift Stations

**Highly Concentrated • Inhibits Grease Adhesion • Controls Odors**  
**Penetrates Deposits • Rapidly Breaks Down Wastes • Pleasant Fragrance**  
**Serves as a Wetting Agent • Contains Bacteria and Catalytic Enzymes**

**WARNING: DO NOT TAKE INTERNALLY. KEEP OUT OF REACH OF CHILDREN!**  
See additional precautions on side panel.  
Net Contents: 1 Gallon (3.79 liters)

An Exclusive Formula of

**M-91**

**MID-AMERICAN RESEARCH CHEMICAL CORP.**  
P.O. BOX 927 • COLUMBUS, NE 68602-0927 • 800-228-8508

**WARNING:** Contains bacterial cultures, enzymes and mixed emulsifiers and surfactants. May cause allergic skin reaction. Causes eye irritation. May be harmful if swallowed. Do not get into eyes, on skin, in mouth or on clothing. Wear eye and skin protection. Wash hands thoroughly after handling. If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If irritation persists, seek medical advice. If swallowed, rinse mouth. Do NOT induce vomiting. Call a Poison Center or doctor/physician if you feel unwell. If on skin, gently wash area with plenty of soap and water. Store in a cool, dry and well-ventilated area. Dispose of contents in accordance with all applicable local and regional regulations.
