

# TECHNICAL DATA SHEET

**Product Name: ENERGIZER PLUS**

**Product Number: MARC 91**

**Type of Product: Lift station degreasing aid with bacteria and enzymes**

**Form: Liquid**

**Color: Red**

**Fragrance: Raspberry**

**Specific Gravity: 1.01**

**Weight per Gallon: 8.4 pounds**

**Flash Point: None**

**Bacteria Colony Count: Over 500 billion colony-forming units (CFUs) per gallon**

**Enzyme Types: Protease, amylase, lipase and cellulase**

**pH: Neutral**

**Acids: None**

**Caustics: None**

**Solubility in Water: Complete**

**Foaming: High**

**Storage Stability: Excellent**

**Freeze/Thaw Stability: excellent, but do not subject to repeated freeze/thaw cycles and store above freezing**

R0321
