

- 100% NATURAL ORANGE BASE
- NON-ACID
- NON-CAUSTIC
- NON-CORROSIVE
- NO CHLORINATED SOLVENTS
- NO PETROLEUM DISTILLATES

#### FEATURES

**MARC O.T. Tar Remover & Degreaser** is a concentrated formula designed for quick and easy cleaning of road machinery, tar and asphalt spreaders, heating pots, truck beds, shovels, brooms, mops, storage tanks, vehicles, equipment, road oil, roofing compounds, grease, etc.

**MARC O.T. Tar Remover & Degreaser** has been designed specifically for fast and easy removal of asphalt and tar deposits as well as grease from equipment and tools. The superior orange solvent-based formula has a high affinity for asphalt and tar deposits, first with a softening and dissolving action that "digs" deep and secondly one that holds residues in an emulsifiable form to be later flushed away with a water rinse. Maintenance is made easy on road building, municipal, institutional or fleet equipment.

**MARC O.T. Tar Remover & Degreaser** will even penetrate road dirt and grime to do a COMPLETE cleaning job. It also is very effective for removing tire marks from concrete, will dissolve indelible ink, tar-based sealer used on most underground pipe, and coal tar sediment from tar and asphalt distributor tanks and sprayer arms.

**MADE IN USA.**

HMIS/NFPA Ratings: Health-2, Flammability-2, Reactivity-1.

**NET CONTENTS: 5 GALLONS**

**MARC** 

**BIODEGRADABLE  
ORANGE TERPENE**

# TAR REMOVER & DEGREASER

**Specifically designed for  
quick and easy removal of:**

- ◆ ROAD TAR ◆ ASPHALT ◆
- ◆ PITCH ◆ GREASE ◆
- ◆ OIL SLUDGE ◆ ROAD OIL ◆
- ◆ ROOFING COMPOUND ◆

**DANGER: FLAMMABLE LIQUID AND VAPOR.**  
**See Other Precautions on Right Panel.**

**An Exclusive Formula of M-93-OT**

**MID-AMERICAN RESEARCH CHEMICAL CORP.**  
**P. O. BOX 927 · COLUMBUS, NE 68602-0927 · 800-228-8508**

**FOR USE BY:**  
**CITY, STREET & COUNTY ROAD DEPARTMENTS**  
**ROOFING & BLACK-TOP CONTRACTORS**

#### DIRECTIONS FOR USE

**MARC O.T. Tar Remover & Degreaser** should be applied without dilution for maximum performance by spray, brush, mop or wiping. For light deposits allow to stand 5 to 10 minutes, for medium deposits 1 hour and for heavy deposits up to 12 hours (overnight). Reapplication of product during standing will provide greater penetration. For extremely heavy deposits, apply and let stand for 1 hour -- brush or scrape lightly and reapply and let stand up to overnight. For final removal, flush with water from hose nozzle or high-pressure cleaning equipment. When using **MARC O.T. Tar Remover & Degreaser**, it is important that the equipment to be cleaned be out of direct sunlight, and hot metal surfaces should always be cooled with cold water prior to application.

**DANGER:** Contains orange terpenes and nonionic detergent. Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin and eye irritation. May cause an allergic skin reaction. Very toxic to aquatic life with long-lasting effects. Precautionary Statements—Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves and eye protection. Avoid breathing vapors. Avoid release to the environment. Keep away from heat, sparks, open flames and hot surfaces. No smoking. Keep container tightly closed. Use only non-sparking tools and explosion-proof equipment. Ground/bond equipment. Take precautionary measures against static discharge. IF SWALLOWED: Immediately call a Poison Center or physician. Do NOT induce vomiting. IF ON SKIN OR HAIR: Remove immediately all contaminated clothing, which should not be allowed out of the workplace. Wash skin and hair with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If symptoms persist, call a physician. IN CASE OF FIRE: Use CO<sub>2</sub>, dry chemical or foam for extinction. Collect spillage. Store locked up in a cool, well-ventilated place. Dispose of in accordance with federal, state and local regulations. **KEEP OUT OF REACH OF CHILDREN!**
