

TECHNICAL DATA SHEET

Product Name: ENERGIZER
LIFT STATION DEGREASING AID

Product Number: MARC 94

Type of Product: liquid

Color: red

Fragrance: raspberry

Specific Gravity: 1.01

Pounds per Gallon: 8.4 pounds

Flash Point: none

Boiling Point: >212°F (100°C)

pH: 7-8

Viscosity: high

Solubility in Water: complete

Foaming: excellent

Foam Stability: excellent

Freezing/Thaw Stability: excellent

Formulation: blend of anionic and nonionic detergents, dye and fragrance
