

**NON-FLAMMABLE • NON-CONDUCTIVE • NON-COMBUSTIBLE • NON-CORROSIVE
ENERGIZED EQUIPMENT USE ONLY • DO NOT USE ON PLASTICS
NOT TO BE USED FOR MOTORIZED VEHICLE
MAINTENANCE OR OTHER PARTS**

A residue free, super fast drying, high power spray that rinses away dirt and grime without injury to working parts. Contains an acceptable replacement for 1,1,1 Trichloroethane under the EPA SNAP program. Contains no petroleum distillates. Features a 29,000 volt dielectric strength. High dielectric strength combined with non-flammability, make this the only product safe for use on electric motors, generators, relays and control panels while equipment is in operation.

USES: Industrial equipment, heating and air conditioning equipment, refrigeration equipment, generators, electric motors, windings and power tools.

NOTE: Do not use on automatic electronic process control or monitoring systems, computers or data processing equipment. May affect certain plastics. Test before using.

DIRECTIONS: Shake well before using. Saturate part to be cleaned. Allow to air dry. For heavily encrusted areas, brush then rinse off with a second application. May remove some paints, pre-testing is suggested.

MODO DE EMPLEO: Agite bien antes de usar. Sature la pieza para limpiar. Deje secar al aire. Para áreas muy incrustada, cepille después enjuague con una segunda aplicación. Puede remover alguna pintura, se sugiere probar antes de usar.

WARNING: Pressurized container: may burst if heated. Causes skin and serious eye irritation. May cause drowsiness or dizziness. Suspected of causing cancer. May cause an allergic skin reaction. Harmful if inhaled. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. -No smoking. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use only outdoors or in a well-ventilated area. Avoid breathing fumes, mist, vapors, and spray. Wear protective gloves, eye protection and protective clothing. Wash hands thoroughly after handling. IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse. Contaminated work clothing must not be allowed out of the workplace. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF EXPOSED OR CONCERNED: Get medical advice or attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Get emergency medical help. Store in a well-ventilated place. Dispose of contents and container in accordance with local, state, and national regulations.

ADVERTENCIA: Recipiente a presión: puede reventar si se calienta. Provoca irritación cutánea y ocular grave. Puede provocar somnolencia o mareos. Se sospecha que provoca cáncer. Puede provocar una reacción alérgica en la piel. Nocivo si se inhala. Mantener alejado del calor, superficies calientes, chispas, llamas abiertas y otras fuentes de ignición. -No fumar. Recipiente a presión: No perforar ni quemar, incluso después de su uso. Proteger de la luz solar. No exponer a temperaturas superiores a 50 °C/122 °F. Obtener instrucciones especiales antes de su uso. No manipular hasta haber leído y comprendido todas las precauciones de seguridad. Utilizar únicamente en exteriores o en un área bien ventilada. Evitar respirar humos, neblinas, vapores y aerosoles. Utilizar guantes, protección ocular y ropa protectora. Lavarse bien las manos después de manipular. EN CASO DE CONTACTO CON LA PIEL: Lavar con abundante agua. En caso de irritación o sarpullido en la piel: Consultar a un médico. Quítense la ropa contaminada y lávela antes de volver a usarla. La ropa de trabajo contaminada no debe sacarse del lugar de trabajo. EN CASO DE CONTACTO CON LOS OJOS: Enjuagar cuidadosamente con agua durante varios minutos. Quítense los lentes de contacto, si lleva y resulta fácil. Continúe enjuagando. Si la irritación ocular persiste: Busque atención médica. EN CASO DE EXPOSICIÓN O PREOCUPACIÓN: Busque atención médica. EN CASO DE INHALACIÓN: Lleve a la persona al aire libre y manténgala en una posición que le facilite la respiración. Busque atención médica de emergencia. Almacene en un lugar bien ventilado. Deseche el contenido y el recipiente de acuerdo con las normativas locales, estatales y nacionales.

MADE IN THE
U.S.A.

SAF-SOLV

Solvent Cleaner

**FOR USE ON ENERGIZED
ELECTRICAL EQUIPMENT:**

- Totally Non-Flammable
- Ozone Safe, No CFC's Or Petroleum Distillates
- Fast Drying • Powerful Flushing Action
- 29,000 Volt Dielectric

**May also be used as a
Solvent-Based Coil Cleaner**

**WARNING/ADVERTENCIA:
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.
CONTIENE GAS A PRESIÓN;
PUEDE EXPLOTAR SI SE CALIENTA.**

NET WT. 18 OZ. (1 LB. 2 OZ.)
(510 Grams)
