

**LUBRICATES AND CLEANS
LOOSENS NUTS AND BOLTS
DISPLACES WATER
NEVER DRIES
NON-CONDUCTIVE
PREVENTS RUST AND CORROSION**

- Engines, carburetors, nuts
 - Distributor caps, bolts, dies
 - Locks, hinges, meters, tools
 - Airplanes, ships, tractors
 - Trucks, trains, factories
 - Laundries, vending machines
 - Refrigeration equipment, guns
 - Pipe fittings, moving parts
-
- Provides friction reduction
 - Inhibits corrosion
 - Non-drying lubricating oil
 - Displaces moisture
 - Cleans and removes rust
 - Removes grease, dirt, build-up
 - Frees frozen nuts, bolts, bearings

This product has unlimited applications for routine maintenance operations or wherever problems exist due to oxidation caused by exposure to unfavorable conditions. It is designed to penetrate and lubricate to reduce friction, displace water and moisture, stop squeaks and remove rust, grease, grime and prevent rust and corrosion on or in equipment, appliances, engines and other surfaces.

DISPLACES WATER

FOR USE ON AUTOMOBILES TO START WET OR DROWNED-OUT ENGINES, OR TO STOP BUILD-UP ON BATTERY TERMINALS.

DIRECTIONS FOR USE:

Read Cautions and Directions for Use carefully before using.

- **SHAKE WELL BEFORE USE.**
- MAY BE HARMFUL TO SOME PLASTICS AND PAINTED SURFACES. PRE-TEST ON SMALL AREA.
- Spray PENETRATING OIL onto frozen part or joint and tap the joint to set up vibration.
- In stubborn cases, respray the frozen part or joint and allow PENETRATING OIL to soak in.

WARNING:

Contains gas under pressure; May explode if heated. Harmful if swallowed or in contact with skin. Causes skin and

serious eye irritation. Suspected of causing cancer. May cause respiratory irritation, drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure.

Keep away from heat, sparks, open flames, or hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves and eye protection. If exposed or concerned: Get medical advice or attention. Dispose of contents and container in accordance with local, state, and national regulations. Do not eat, drink, or smoke when using this product. If swallowed: Call a poison center or doctor if you feel unwell. Rinse mouth. Do not breathe fumes, mist or spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Get medical advice if you feel unwell.

WARNING: This product contains methylene chloride which has been shown to cause cancer in certain laboratory animal tests. Risk to your health depends upon level and duration of exposure.

**KEEP OUT OF REACH
OF CHILDREN**

CONTAINS (CAS NO.): Methylene Chloride (75-09-2), Ethylene Glycol Monobutyl Ether (111-76-2), Carbon Dioxide (124-38-9).
