

TECHNICAL DATA SHEET

Product Name: GERMICIDAL MULTI-PURPOSE CLEANER WITH FOAM ACTION

Product Number: MARC 105

DESCRIPTION

MARC 105 is a foaming all-purpose cleaner that cleans, disinfects and deodorizes all in one easy step. Spray it on and wipe it off. It cleans and disinfects without scouring or scratching surfaces. M-105 kills many germs listed on the label, and helps stop the spread of disease. It is bactericidal, staphylocidal, pseudomonocidal, fungicidal and virucidal against numerous germs including H.I.V.-1 (Aids Virus), Herpes Simplex Virus Types 1 and 2, Canine Parvovirus and Legionella Pneumophila on hard inanimate nonporous environmental surfaces. It contains cleaning systems to safely and effectively remove dirt and grease on surfaces. Germicidal Multi-Purpose Cleaner with Foam Action deodorizes surfaces being cleaned, utilizing a unique combination of ingredients. The heavy foam clings to vertical surfaces for ease of cleaning and eliminates product waste. The can sprays both upside down and right side up. It is an EPA-registered product that saves time by performing two cleaning operations in one step.
