

TECHNICAL DATA SHEET

**Product Name: WRITE OFF
GEL VANDALISM MARK REMOVER**

Product Number: MARC 113

Description: A non-chlorinated, high-solvency heavy-duty, thick clinging gel that provides extended cleaning time. Write Off quickly cuts through stubborn vandal marks. It is effective on porous and non-porous surfaces. Write-Off removes spray paints, crayons, lipstick, tar, pen ink, marker ink, scuff marks, etc. with a powerful cleaning action that does not harm the surface. It may be flushed away with water. It is safe on block, cement, stone, brick, glass, ceramic tile, metals and most painted surfaces (test on a small area to be sure). Formula complies with all VOC regulations.

Product Specifications:

Net Weight.....	15 Ounces
General Appearance.....	Liquid Gel
Color.....	Colorless
Fragrance/Odor	Solvent
Solubility in Water.....	Emulsifies
pH.....	N/A
Specific Gravity	0.765
Weight per Gallon.....	6.4 Pounds

R0722
