

TECHNICAL DATA SHEET

**Product Name: WRITE OFF
 GEL VANDALISM MARK REMOVER**

Product Number: MARC 113

Description: A non-chlorinated, high-solvency heavy-duty, thick clinging gel that provides extended cleaning time. Write Off quickly cuts through stubborn vandal marks. It is effective on porous and non-porous surfaces. Write-Off removes spray paints, lipstick, tar, pen ink, marker ink, etc. with a powerful cleaning action that does not harm the surface. It may be flushed away with water. It is safe on block, cement, stone, ceramic tile, metal and most painted surfaces (test on a small area to be sure). Helps deter future graffiti by leaving a protective coating behind.

Product Specifications:

Net Weight.....	17 ounces
General Appearance.....	Creamy jel
Color.....	White
Fragrance/Odor	Faint Solvent
Solubility in Water.....	Emulsifies
pH.....	N/A
Specific Gravity (concentrate only).....	0.913
Weight per Gallon.....	7.62 pounds
Flash Point of Concentrate (TOC).....	54°F
DOT Hazard Classification.....	ORM-D
