A unique inverted-spray aerosol that removes water and oil-based spots and stains from carpet, fabric and upholstery. **MARC SPOT-B-GONE** eliminates the need for rubbing and scrubbing, and is fast-drying. It leaves no visible residue, and will not harm carpet backing or upholstery. **SPOT-B-GONE** is an excellent pre-spotter prior to carpet extraction. The inverted spray valve provides easy application.

REMOVES: Coffee, Tea, Urine, Beverages, Butter, Oil, Grease, Tar, Mud, Grime, Pet Stains, Shoe Polish, Fresh Paint, Lipstick, Etc.

**DIRECTIONS - SHAKE WELL BEFORE USING
TEST FOR COLOR FASTNESS BEFORE USE
Can will spray in inverted position only**

Keep actuator pointed towards dot on valve cup. When a spot or stain is dry, spray liberally over spot. Allow to stand for one minute. Then place a folded paper towel over the spot and absorb spot by pressing down with foot or hand. On stubborn stains, repeat once or twice if necessary. Rinse with water. Do not spray on plastics, painted surfaces, foam, aluminum, warm or hot surfaces.

WARNING: While safe to use on most fabrics (fibers), this product will dissolve some synthetic materials. Check on an inconspicuous area for evidence of attack before using.

SPOT-B-GONE

DANGER: KEEP OUT OF REACH OF CHILDREN. READ LABEL AND SDS BEFORE USE. CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. CONTAINS GAS UNDER PRESSURE; MAY EXPLODE IF HEATED.

Do not breathe the mists. Wash hands thoroughly after handling. Wear protective gloves and clothing. Wear eye and face protection. Keep away from heat, sparks, open flames and hot surfaces. Pressurized container: Do not pierce or burn, even after use.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with soap and water/shower. Wash contaminated clothing before reuse. If skin irritation occurs: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or a physician. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or a physician.

Protect from sunlight. Store in a well-ventilated place. Do not expose to temperatures exceeding 50°C/122°F. Store locked up. Dispose of contents and container in accordance with all local, regional, and national regulations.
