

## TECHNICAL DATA SHEET

**Product Name: WATER-BASED DUST MOP TREATMENT**  
**Product Number: MARC 129**

### DESCRIPTION

An economical and environmentally sound, dusting aid. Unique quick penetrating foam indicates where magnetic dust attractant has been applied and allows for immediate use of mops and cloths. Self-indicating, dissipating foam action shows when mop is saturated and must be washed to continue effective use. Saturated dusting mops and cloths can be washed in a regular washing machine. Leaves the area with a fresh citrus aroma.
