

FEATURES

MARC Ultra Glaze Vehicle Wax & Polish is a quick and easy way to wax and polish any vehicle, including automobiles, trucks, fire trucks, motorcycles, boats and RV's. It also works great on chrome, aluminum and any painted surface. **MARC Ultra Glaze Vehicle Wax & Polish** sprays on and buffs out effortlessly to a hard surface shell finish. It revives the shine on dull surfaces and helps maintain the original factory shine. **MARC Ultra Glaze Vehicle Wax & Polish** combines carnauba wax and PTFE for the ultimate shine.

DIRECTIONS FOR USE

Can should be at room temperature before use in cold weather. Move vehicle out of direct sunlight.

1. Wash vehicle to remove excess dirt.
2. **Shake well before using.**
3. Spray **MARC Ultra Glaze** onto surface and lightly wipe.
4. Buff with a clean, dry cloth, such as MARC 839 Micro Fiber Cloths, to a high luster.
5. After use, turn can upside down and spray a short burst to clear the nozzle.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation.

Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

PELIGRO: Aerosol Extremadamente Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación ocular.

Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. –No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lave las manos en fondo después de utilizar. Si en los ojos: Enjuague cuidadosamente con agua por varios minutos. Remueva lentes de contacto, si están presentes y fáciles de hacer. Continúe enjuagando. Si persiste la irritación ocular: Obtenga atención médica.
