

Specially formulated to rapidly clean ovens, grills, cooking pots and pans, non-aluminum barbecue grills. Extra thick foam quickly penetrates grease, burned food, stains and grime. Stays in place on vertical surfaces to give thorough cleaning. Restores surface to like new condition without harming it. Simply spray on and wipe off. Use on warm or cold ovens. This formula has been authorized by the USDA for use in federally inspected meat and poultry plants.

DIRECTIONS: Shake well. To remove child-proof cap, squeeze sides on ridges and pull off. Hold can 10 to 12 inches away from surface to be cleaned. With a slow sweeping motion, apply liberally. Completely cover surface with product. For warm ovens, allow to set for 5 to 10 minutes. Turn off current in electric oven and pilot lights in gas oven after warming. For cold ovens, allow to set for 10 to 20 minutes. Wipe clean with a paper towel, clean cloth or sponge. Be sure to wear gloves when using this product. Rinse with a potable water rinse after using to completely remove remaining cleaner. Repeat treatment for hard to clean or heavily caked areas. **DO NOT USE ON ALUMINUM, PAINTED SURFACES, ASPHALT TILE OR LINOLEUM.**

DANGER: Contains gas under pressure; may explode if heated. Causes severe skin burns and eye damage. May be corrosive to metals. Keep away from heat, sparks, open flames, and hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents and container in accordance with local, state, and national regulations. Absorb spillage to prevent material damage.

INGREDIENTS (CAS#): Water (7732-18-5), Potassium Hydroxide (1310-58-3), Propane (74-98-6), Butane (106-97-8), Propylene Glycol (57-55-6), Diethylene Glycol Monobutyl Ether (112-34-5), d-Limonene, Citral. For more ingredient information visit www.marc1.com.

DIRECCIONES: Agítese bien. Para remover la tapa a prueba de niños, apriete los lados y jale. Mantenga el bote entre 10 y 12 pulgadas alejado de la superficie que se va a limpiar. Aplique se generosamente con un movimiento de lado a lado. Cubra la superficie completamente con el producto. Para hornos aún calientes, deje que actúe de 5 a 10 minutos. Desconecte el horno y apague el piloto. Para hornos fríos, deje que actúe de 10 a 20 minutos. Quite el exceso con una toalla de papel y limpie con un trapo o esponja. Asegúrese de usar guantes cuando utilice este producto. Lave con agua potable para remover completamente el resto del limpiador. Repita el tratamiento para áreas que son difíciles de limpiar o con grandes residuos. No se use en Aluminio, superficies pintadas, asfalto, azulejo o linóleo.

PELIGRO: Contiene gas a presión; Puede explotar si se calienta. Causa quemaduras severas a la piel y daño ocular. Puede ser corrosivo a metales. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforar ni quemar, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilado. No respirar la niebla. Lávese bien las manos después de manipular. Use guantes protectores y protección para los ojos. Si en ingerido: Enjuague la boca. NO induzca vomito. Si en la piel (o cabello): Inmediatamente quítese la ropa contaminada. Enjuague la piel con agua. Lave ropa contaminada antes de usar. Si en inhalado: Remueva la persona al aire fresco y mantenga cómoda para respirar. Inmediatamente llame al centro de envenenamiento o un doctor. Si cae en los ojos; Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales. Absorba el derrame para prevenir daño de material
