

TECHNICAL DATA SHEET

Product Name: LINEN FRESH DRY SPRAY DEODORANT

Product Number: MARC 140

Description: **MARC 140 Linen Fresh Dry Spray** air and fabric deodorant destroys foul odors caused by smoke, decay, urine, feces, solvents, gas, vomit, cooking, animals and more. It is safe and easy to use in the air and directly on textile materials. **MARC 140 Linen Fresh Dry Spray** removes and chemically neutralizes odors trapped in fabric and foam padding, and is non-staining when used as directed. It freshens rooms from ceiling to floor as the fragrance floats through the air.

The low VOC (Volatile Organic compound) content meets National Volatile Organic Compound Emission Standards for air fresheners of this type.

Use Anywhere: Bathrooms, Kitchens, Offices, Sickrooms, Locker Rooms, Hotel Rooms, Laundry Hampers, Fabric, Drapes, Bedspreads, Carpet, Auto Interiors, Closets, Lobbies, Meeting Rooms, Luggage, Garbage Receptacles.

For Use On: Hotels, Motels, Restaurants, Hospitals, Offices, Apartments, Recreation Centers, Schools, Nurseries, Fitness Centers, Animal Clinics, Nursing Homes, Public Buildings.

Features: The fragrance consists of a bright topnote of Lily of the Valley, the freshness of French Lavender and Jasmine, and the long-lasting clean notes of Wood and Musk. **MARC 140 Linen Fresh Dry Spray** is formulated to remove foul odors with a non-staining, floating mist.
