CHEMICAL CORP.**  
P.O. BOX 927 • COLUMBUS, NE 68602-0927

**CONTAINS NO CHLORINATED SOLVENTS  
NO SILICONE OR WAX**

The one-step solution for dusting, polishing and shining simulated wood and other hard surfaces.

*Formica® • Baked Enamel  
Marble • Vinyl • Fiberglass*

Sprays as a light, quick breaking foam to provide easy wipe out and rapid surface brilliance. Contains natural citrus oil to provide a fresh fragrance and add surface brilliance. Contains no silicone or wax to cause messy build-up or dulling of surface.

**USE ON:**

Desks, File Cabinets, Vinyl Seating, Molded Fiberglass Enclosures.

**DIRECTIONS:**

Offers a unique 360° valve which allows spraying in upright or inverted position. Hold can six to eight inches from surface. Spray directly onto surface or onto dust cloth. Wipe immediately with soft cloth. To enhance appearance, turn cloth over and polish to a high shine.

**CITRA CLEAN & SHINE**

**Danger:** Extremely flammable aerosol. May cause an allergic skin reaction. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing gas. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves. Protect from sunlight. Do not expose to temperatures exceeding 49°C/120°F. Dispose of contents/container in accordance with local/regional/national/international regulations.

**First Aid: IF ON SKIN:** Take off immediately all contaminated clothing. Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse. **IF IN EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Get medical attention if irritation develops and persists. **IF INHALED:** Move to fresh air. Call a physician if symptoms develop or persist. **IF SWALLOWED:** Rinse mouth. Get medical attention if symptoms occur.

**CONTAINS (CAS No.):** Water (7732-18-5), White Mineral Oil (8042-47-5), d-Limonene (5989-27-5), Polyethylene Glycol Nonylphenol Ether (9016-45-9) and Liquefied Petroleum Gas (68476-86-8).
