

TECHNICAL DATA SHEET

Product Name: BRAKE & PARTS CLEANER

Product Number: MARC 150

Product Description: MARC Brake & Parts Cleaner is a highly concentrated solvent blend which provides maximum performance without the use of ozone-depleting chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders, springs and CV joints without disassembling the brake unit. **MARC Brake & Parts Cleaner** is also an excellent degreaser for metal parts. It dissolves brake fluid, grease, oils, tar, asphalt, resins and many other soils.

Features:

- Fast Dry Formula Leaves No Residue
- Low Odor Solvent Blend
- High Pressure Aerosol Blasts Away Deposits with Powerful Stream
- Non-Corrosive to Metals
- No Chlorinated or Fluorinated Solvents
- Paint and Plastic Safe Formula
- Contains No Lead, Phosphorous or Silicone

Technical Data:

Appearance: Liquid spray

Color: None

Odor: Solvent

Specific Gravity: 0.72

Weight per Gallon: 6.03 pounds

Spray Pattern: Stream

Glycol Ether Content: None

Chlorinated Solvents: None

Rev. 0520
