

**NO PETROLEUM SOLVENTS • NO PHOSPHATES
NO BUTYL CELLOSOLVE**

Provides a two-phase approach to cleaning and deodorizing carpet and fabric. First, the unique natural chemical system instantly deodorizes and dissolves embedded grime and organic matter. Second, the bio-enzymatic activity begins breaking down the organic residue, eliminating stains and odors at the source. Removes milk, wine, vomit, urine and feces.

DIRECTIONS:

Shake can. Invert can and spray area from about 24 inches away. Allow foam to remain several minutes. Remove with a colorfast damp sponge or cloth. For stubborn stains, re-treat area. For severe organic stains and odors, cover the treated area for several minutes with a damp white towel. Keeping the area moist will allow bacteria to continue working longer.

INSTRUCCIONES:

Lata de batido. Invierta la lata y rocíe el área desde aproximadamente 24 pulgadas de distancia. Deje que la espuma permanezca varios minutos. Retire con una esponja o un paño húmedo que no destiñe. Para manchas rebeldes, vuelva a tratar el área. Para manchas y olores orgánicos severos, cubra el área tratada durante varios minutos con una toalla blanca húmeda. Mantener el área húmeda permitirá que las bacterias continúen trabajando por más tiempo.

WARNING: Flammable Aerosol. Contains gas under pressure; may explode if heated.

Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

ADVERTENCIA: Aerosol Inflamable. Contiene gas a presión; Puede explotar si se calienta.

Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. –No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni quemé, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada.

CONTAINS (CAS#): Water (7732-18-5), Propane (74-98-6), Butane (106-97-8), Nonoxynol, Hexyl Cinnamal, Linalool, Benzyl Benzoate.
