

# PENETRATING RED GREASE

## Lubricant • Penetrant Rust Preventative

### A Penetrating Liquid That Forms A Grease

- No Chlorinated Or Fluorinated Solvents
- Multi-purpose, Red Grease Lubricant
- Penetrates Then Quickly Sets Up
- Withstands Heat To 500°F
- Resists “Throw Off”

**DANGER:** EXTREMELY FLAMMABLE AEROSOL CONTAINS GAS UNDER PRESSURE; MAY EXPLODE IF HEATED. MAY BE FATAL IF SWALLOWED AND ENTERS AIRWAYS.

CAUSES SKIN IRRITATION. CAUSES SERIOUS EYE IRRITATION. MAY CAUSE CANCER. SUSPECTED OF DAMAGING FERTILITY. MAY CAUSE DAMAGE TO ORGANS THROUGH PROLONGED OR REPEATED EXPOSURE. CAREFULLY READ REAR PANEL FOR ADDITIONAL PRECAUTIONS.

NET WT. 11 OZ. (312 grams)

## PENETRATING RED GREASE

### FEATURES:

This multi-purpose lubricant sprays out of the can as a thin, penetrating liquid and quickly becomes a thick red grease even capable of clinging to vertical surfaces. Additives provide superior adhesive, cohesive, extreme pressure and cushioning properties. This formula lubricates, prevents oxidation, and prevents rust without the dangers of ozone depleting chlorinated solvents.

### DIRECTIONS:

Shake can vigorously for one minute after mixing ball begins to rattle. Remove cap and spray a thin film on surface to be covered. Use the extension tube provided for hard-to-reach places. A thickened grease will form within seconds after application, and will be fully cured in 15 to 20 minutes.

NOTE: Test for compatibility on inconspicuous area prior to use on painted or plastic surfaces.

### COMPOSITIONAL INFORMATION

Contains [CAS#]: Petroleum Gases, Liquefied, Sweetened [CAS#68476-86-8], Petrolatum [CAS#8009-03-8], Hexane [CAS#110-54-3], Heavy Aliphatic Naphtha [CAS#64742-96-7], Acetone [CAS#67-64-1], Silicone [CAS#63148-62-9].

### PRECAUTIONARY STATEMENT:

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, protective clothing, eye protection, and face protection. Wash hands thoroughly after handling. Do not breathe mist, vapors or spray. Get medical attention if you feel unwell. IF exposed or concerned: Get medical attention. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash it before reuse. Protect from sunlight. Do not expose to temperatures exceeding 50°C / 122°F. Store locked up. Store in a well-ventilated place. Dispose of contents and container in accordance with local, regional, national and international regulations.

Read Safety Data Sheet before using.  
KEEP OUT OF REACH OF CHILDREN.
