**Contains NO Chlorinated Solvents
(NO 1,1,1-Trichloroethane)
NO CFCs**

A pure silicone dry lubricant release agent which reduces friction and eliminates sticking and binding on metal, rubber, glass, fabric and laminant surfaces. Treated areas repel moisture and are protected against corrosion and wear. Formulated with an ultra high viscosity, odorless, colorless and non-staining silicone. Heat stable at temperatures from -58°F to +575°F. Dries in seconds.

USED BY:

Printing trade, garment and textile industry, packaging plants, molding operations, industrial and processing plants.

DIRECTIONS:

Shake well before using. Spray in a sweeping motion, onto clean, dry surface from a distance of 6 to 10 inches. Repeat application periodically.

PRECAUTIONARY STATEMENT:

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Avoid breathing mist, vapors, or spray. Use only outdoors or in a well-ventilated area. **IF SWALLOWED:** Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash it before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Store locked up. Dispose of contents and container in accordance with local, regional, national, and international regulations.

CONTAINS [CAS]: Acetone [67-64-1], Petroleum gases, liquefied, sweetened [68476-86-8], n-Heptane [142-82-5], Silicone [63148-62-9].

**Read Safety Data Sheet before using.
