

PROTECT PLUS LEATHER & VINYL CONDITIONER

PROTECT PLUS cleans, maintains and renews the look and feel of leather and vinyl! Restores color, beauty, glow and suppleness, whether old or new. It's a tight, dry foam that does not soak into surfaces. The light spray provides protection against moisture and other environmental hazards. Won't rub off on clothing or other surfaces. Won't leave a sticky, slick or waxy residue. Prevents drying & cracking due to sunlight & extreme weather.

FOR USE ON

Vehicle Interiors, Leather Furniture, Luggage,
Handbags, Saddles, Tack, Shoes, Boots,
Sports Equipment &
Many Other Leather & Vinyl Surfaces

DIRECTIONS FOR USE: Remove any solid soils prior to spraying. Spray foam on the area to be cleaned and allow to sit 30 seconds. Then wipe with a soft clean rag to remove surface soil. Allow to dry and buff to finish. Repeat if necessary. When applied as directed, the cleaner will not sink into the vinyl/leather surface allowing for faster dry time. Note: Not for use on suede.

WARNING: Contains gas under pressure; may explode if heated. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

CONTAINS (CAS#): Water (7732-18-5), Propane (74-98-6), Butane (106-97-8), Propylene Glycol (57-55-6), Glycerine (56-81-5), Isopropanol.
