

TECHNICAL DATA SHEET

**Product Name: CINNAMON
ROOM DEODORIZER-METERED**

Product Number: MARC 169

Description: MARC 169 Cinnamon Metered Room Deodorizer has excellent bloom and suspension time, ultra fine particles, no fall out, and no residue for use in textile applications. These are just some of the attributes. The product achieves the incredibly dry spray without using ozone depleters. In fact, this product contains less than 30% total VOC content! **MARC 169 Cinnamon Metered Room Deodorizer** quickly neutralizes malodors with industrial and institutional strength even on smoke, decay, urine, feces, solvent, vomit, cooking, animal odors and more. Also featured is a new, universal, non-proprietary actuator for use in most available time dispense machines. The metered valve delivers precise spray volumes in an ultra fine mist to effectively freshen rooms up to 6,000 cubic feet. Although versatile enough to use virtually anywhere, suggested uses include freshening bath and washrooms, showers and garbage receptacle areas, in hotels, restaurants, hospitals, apartments, schools, nurseries, fitness centers, commercial and institutional buildings, animal clinics, nursing homes and more.

Product Specifications:

Weight per Can:	7.25 ounces
Classification:	Aerosol - Metered Dry-Type Air Deodorizer
General Appearance:	Clear, Dry
Color:	Colorless
Odor:	Cinnamon
VOC Compliant:	Yes
Contains Chlorinated Solvents:	No
Weight per Gallon:	5.98 pounds
VOC Content:	27.62%

R0121
