

TECHNICAL DATA SHEET

**Product Name: RED CLOVER TEA
ROOM DEODORIZER-METERED**

Product Number: MARC 196

Description: M-196 Red Clover Tea Room Deodorizer-Metered has excellent bloom and suspension time, ultra fine particles, no fall out, and no residue for use in textile applications. These are just some of the attributes. The product achieves the incredibly dry spray without using ozone depleters. In fact, this product contains less than 30% total VOC content! **M-196 Red Clover Tea Room Deodorizer** quickly neutralizes malodors with industrial and institutional strength even on smoke, decay, urine, feces, solvent, vomit, cooking, animal odors and more. Also featured is a new, universal, non-proprietary actuator for use in most available time dispense machines. The metered valve delivers precise spray volumes in an ultra fine mist to effectively freshen rooms up to 6,000 cubic feet. Although versatile enough to use virtually anywhere, suggested uses include freshening bath and washrooms, showers and garbage receptacle areas, in hotels, restaurants, hospitals, apartments, schools, nurseries, fitness centers, commercial and institutional buildings, animal clinics, nursing homes and more.

Product Specifications:

Net Weight per Can:	7.25 ounces
Classification:	Aerosol Metered Dry-Type Air Deodorizer
General Appearance:	Clear liquid spray
Color:	Colorless
Fragrance:	Red Clover Tea
pH:	N/A
Weight per Gallon:	5.98 pounds
VOC Content:	24.94%
Spray Type:	Dry Mist

R1221
