Use **911** for fast, easy clean-up of water based accidents on hard surface floors. Does not contain bleach, so it will not harm fabrics or carpeting.

For use in: Homes, Kitchens, Recreational Areas, Day Care Centers, Classrooms, Churches, Hospitals, Institutions, Taverns, Restaurants, Motels, Offices, Taxicabs, Police Cars and Kennels.

For use on kitchen spills, vomitus, child mishaps, pet mistakes, and other unpleasant spillage.

NOTE: May be harder to remove from long-pile carpets.

DIRECTIONS FOR USE

1. Lightly sprinkle evenly over the spill.
2. Wait about 2 minutes for the product to absorb.
3. Remove from surface by sweeping, scraping or shoveling.
4. Resulting semi-solid gel may be flushed down drains or toilets.
5. Brooms, mops, towels and rags used in clean-up may be washed with clean water.
