MARC Citronella is an all natural product that utilizes Citronella for use in areas where odor causing waste attracts insects. The powerful fragrance of Citronella, nature's repellent, deters bugs as well as snakes and rodents. This product is Non-Hazardous and 100% Biodegradable.

Recommended Uses Include:

- Municipalities • Apartments • Hospitals • Hotels •
- Motels • Schools • Nursing Homes • Restaurants •
- Industry • Country Clubs • Kennels • Locker Rooms •
- Packing Houses • Sewer Plants • Dumping Areas •

DIRECTIONS FOR USE

Apply **MARC Citronella** over odor-causing materials. Apply lightly into empty refuse and garage receptacles. Add small amounts periodically as needed. This will prevent malodors from developing.

Cigarette Urns: Use **MARC Citronella** full-strength or mix with sand or other similar material. This will keep the urn clean-smelling as well as act as a room deodorizer.

Sweeping Compound: Mix **MARC Citronella** with dry sweeping compound. Sprinkle on floor and allow product to set for a few minutes before sweeping. Apply alone on floors where a treated dust mop is used.

FIRST AID: Ingestion—Get medical attention. Eyes—Flush with water for 10 to 15 minutes. If irritation persists, get medical attention. Skin—Wash with soap and water. If irritation persists, get medical attention.
