

## FEATURES

Everything cuts loose when using **Citrus Metal Parts Cleaner**: dirt, grease, grime, and accumulated gunk. **Citrus Metal Parts Cleaner** with its natural citrus solvent is a fast, effective way of cleaning all types of metal parts and equipment.

**Citrus Metal Parts Cleaner** will penetrate into the smallest areas to dissolve grease and grime. **Citrus Metal Parts Cleaner** is a must if you are involved in cleaning dirty fuel pumps, pistons, engine parts, machine parts, and filter screens.

**DANGER:** Contains petroleum distillates and orange terpenes. Flammable liquid and vapor. May accumulate electrostatic charge and ignite and explode. May be fatal if swallowed and enters airways. Causes skin irritation. Suspected of causing cancer. May cause drowsiness or dizziness. Toxic to aquatic life with long-lasting effects. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, sparks open flames and hot surfaces. No smoking. Keep container tightly closed. Ground container and receiving equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing mist, vapors or spray. Use only outdoors or in a well-ventilated area. Wear protective gloves and eye protection. Wash hands and any exposed skin thoroughly after handling. If exposed or concerned: Get medical attention. If on skin or hair: Take off immediately all contaminated clothing. Rinse skin and hair with water. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. If inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a Poison Center or physician if you feel unwell. If swallowed: Immediately call a Poison Center or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. Store locked up in a cool, well-ventilated place in a tightly closed container. Dispose of in accordance with federal, state and local regulations. **Keep Out of Reach of Children!**

- ★ Dissolves Gums

An Exclusive Formula of **M-230**

MID-AMERICAN RESEARCH CHEMICAL CORP.  
P. O. BOX 927 · COLUMBUS, NE 68602-0927 · 800-228-8508

- ★ MASTER CYLINDERS
- ★ FUEL PUMPS
- ★ PISTONS
- ★ ENGINE PARTS
- ★ FILTER SCREENS
- ★ AUTOMATIC CHOKES
- ★ POWER TOOLS
- ★ SMALL PARTS
- ★ BIODEGRADABLE

## DIRECTIONS

**Citrus Metal Parts Cleaner** can be used in parts washing equipment. The most economical use of **Citrus Metal Parts Cleaner** is in a recirculating cleaning system that allows you to reuse it over and over. **Citrus Metal Parts Cleaner** floats on water.

When using **Citrus Metal Parts Cleaner** in a self-contained system with a basket, remove gaskets, seals, and loose soil. Place metal parts in basket and submerge completely in the solvent. Soak for 15 to 30 minutes to loosen soft carbon and remove engine varnish, gum or tar deposits. To adequately loosen hard deposits, soak parts for up to 8 hours. Remove basket from container and rinse parts off with hose or high pressure washer, or rinse with fresh **Citrus Metal Parts Cleaner**.

HMSI/NFPA Ratings: Health-2, Flammability-2, Reactivity-0.
