In case of fire: Use water fog, foam dry chemical or carbon dioxide to extinguish. Store locked up in a cool, well-ventilated area. Dispose of in accordance with federal, state and local regulations. **Keep Out of Reach of Children!**

WOODY II

ODOR REGULATED

Waterless Wood Floor Cleaner & Tacking Solvent

- **Helps prepare gym floors for refinishing**
- **Cleans finished gym floors without dulling**

FEATURES

MARC Woody II is especially formulated for wood floors. It helps to prepare wood gym floors for reapplication of seal or finish as well as cleaning gym floors without dulling the shine. **MARC Woody II** saves hours of time and labor in reconditioning gym floors! It eliminates water, soap, detergent and long drying times. This gives you the special advantage of sealing and finishing your wood floors immediately after **MARC Woody II** has dried. **MARC Woody II** does an excellent job of removing black marks, rubber burns, spots, stains, etc. It does a cleaning job which many liquid cleaners would be hard put to match. It is a truly effective cleaner that is compatible with all types of solvent-based gym finishes.

FOR INDUSTRIAL, MUNICIPAL AND INSTITUTIONAL USE ONLY!

An Exclusive Formula of **M-234**

MID-AMERICAN RESEARCH CHEMICAL CORP.
P. O. BOX 927 · COLUMBUS, NE 68602-0927 · 800-228-8508

- **COMPATIBLE WITH SOLVENT-BASED FINISHES**
- **ELIMINATES WATER & DETERGENTS**
- **SAVES TIME & LABOR**

DIRECTIONS FOR USE

NOTE: Do not use on water-based gym finishes.

TACKING AND MAINTAINING GYM FLOORS

MARC Woody II is an excellent tack towel treatment for removal of dust after screening, steel-wooling or sanding gym floors.

Wear extra-heavy duty gloves and safety goggles. Pour **MARC Woody II** into mop bucket until approximately one-half full. Soak "tacker" pads or large turkish towels in **MARC Woody II**.

If cleaning up gym floor dust after sandscreening, wring out towels slightly. Lay flat on floor and begin the tacking process. Proceed to the opposite end of the floor, shake out dust, resaturate pad or towel and tack to the other end of floor. Follow this procedure until all dust residue is picked up from the floor. Allow floor to dry, and begin the finishing process.

Depending upon the condition of the floor, an average 5,000 square foot gym floor can be cleaned with 20 to 30 gallons of **MARC Woody II**.

MAINTAINING GYM FLOORS: Use **MARC Woody II** with tacker pads or turkish towels. Soak in **MARC Woody II**, wring out and tack the wood floor surface. When **MARC Woody II** becomes soiled, change to fresh product.

HMIS/NFPA Ratings: Health-1, Flammability-2, Reactivity-0. **MADE IN USA.**
