Concentrated
Gentle Lather
High Sudsing
Easily Rinsed
Economical

FEATURES

MARC Scrub-Up is a concentrated synthetic formulation designed to replace coconut oil soaps. **MARC Scrub-Up** will not irritate most sensitive skins.

MARC Scrub-Up is a high-sudsing, easily rinsed soap that is ideal for using in factories, schools, office buildings and restaurants.

MARC Scrub-Up's gentle lather easily removes oil and grime from scalp and skin.

MARC Scrub-Up is equal in quality to 40% coconut oil base soaps.

DIRECTIONS

MARC Scrub-Up may be diluted with one to three parts water depending on type of liquid dispenser used and thickness of soap desired. For maximum effectiveness use **MARC Scrub-Up** undiluted.

MARC Scrub-Up may also be used in shower facilities. It is recommended that **MARC Scrub-Up** be used in plastic or stainless steel dispensers.

WARNING: Contains mixed surfactants. Causes serious eye irritation. Avoid eye contact. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. Do not take internally.
