

TECHNICAL DATA SHEET

Product Name: XTRACTOR

Product Number: MARC 247

Form: liquid

Odor: mild

Color: clear yellowish-brown

Viscosity: low

Specific Gravity: 1.09

Weight per Gallon: 9.1 pounds

pH: alkaline

Flash Point: none

Boiling Point: 212°F

Foaming: low

Solubility in Water: complete

Storage Stability: excellent

Freeze/Thaw Stability: stir thoroughly after thawing out

Dilution: 1 to 2 ounces per gallon of water

R0221
