

## TECHNICAL DATA SHEET

**Product Name:** SUPER-ZYME

**Product Number:** MARC 250

**Type of Product:** bacterial enzyme sewage treatment

**Form:** liquid

**Color:** tan

**Fragrance:** apricot

**Specific Gravity:** 1.0

**Weight per Gallon:** 8.33 pounds

**Flash Point:** none

**Bacteria multiple strains of natural aerobic and facultative anaerobic**

**Bacteria Colony Count:** Over 500 billion colony-forming units (CFUs) per gallon

**Enzymes Types:** protease, amylase, lipase and cellulase

**pH:** neutral

**Acids:** none

**Caustics:** none

**Solubility in Water:** complete

**Storage Stability:** excellent

**Freeze/Thaw Stability:** excellent, but do not subject to repeated freeze/thaw cycles,  
and store above freezing
