32OZ TUFF STUFF

**URINALS AND TOILETS:** Apply **TUFF STUFF** under the flush rim of the toilet. **TUFF STUFF** is formulated to cling to vertical surfaces, where it remains in contact with stains and scale, penetrating and dissolving for easy removal of hardwater scale and uric acid crystals. Pour several ounces on dampened bowl mop and swab entire bowl, inside and outside, under the rim, in the reservoir tank, toilet seat and cover. Let stand 2 to 3 minutes and then flush with clean water.

**TUBS AND LAVATORIES:** Safe to use on acid-resistant porcelain fixtures such as toilets, lavatories, bathtubs and shower stalls. Swab on surface with agitation, then rinse immediately with clean water.

**AUTOMATIC DISHWASHERS:** Apply at full strength with a trigger sprayer. Let stand 2 to 3 minutes, then run through wash rinse cycle.

**CHROME AND STAINLESS STEEL:** Drinking fountains, deep sinks and sterilizers: Apply to surfaces to remove scale and soap scum. Use agitation for severe buildups.

**TUFF STUFF** may be diluted with water for lighter-duty cleaning. Always rinse surfaces with clean water.

**CERAMIC TILE AND GROUT:** **TUFF STUFF** will effectively clean and descale ceramic tile walls and floors. For grout, apply at full strength, agitate with a bristle brush and then flush with clean water.

**NOTE:** This product may etch some ceramic tiles, tubs and sinks. If in doubt, test on small area first. Avoid contact with wood or clothing. Do NOT use on marble, polished aluminum, metallic glazed surfaces, terrazzo or colored grout.

**DANGER:** Contains phosphoric acid. Do not contact eyes, skin or clothing. Do not take internally. Do not mix with chlorine bleach or other cleaning products.

**FIRST AID:** In case of eye or skin contact, immediately flush thoroughly with large quantities of water. Get medical attention for eyes, or if skin irritation persists. If swallowed, do not induce vomiting. If conscious, give large quantities of water or milk. Get immediate medical attention.

### KEEP OUT OF REACH OF CHILDREN!
