

## TECHNICAL DATA SHEET

**Product Name: TUFF-STUFF**

**Product Number: MARC 252**

Form: liquid

Fragrance: sassafrass

Color: light blue

Viscosity: thickened

Specific Gravity: 1.15

Weight per Gallon: 9.6 pounds

Acid Type: phosphoric acid

Flash Point: none

Solubility in Water: complete

Foaming: moderate

Abrasives: none

Storage Stability: excellent

Freeze/Thaw Stability: excellent
