- 100% NATURAL ORANGE BASE • NON-ACID •
- NON-CAUSTIC • NON-CORROSIVE •

DIRECTIONS FOR USE

General Cleaning and Degreasing: Pour four ounces of **MARC Natural Orange Crush** in one gallon of warm water. Apply to floors, walls, etc. with mop or sponge. Allow to stand five minutes, then rinse.

MARC Natural Orange Crush is good for use on drinking fountains where caustic-type drain openers should not be used.

Drain Cleaner: In drains stopped up by grease and slime, pour in 16 ounces of **MARC Natural Orange Crush** and allow to stand for one hour. Flush with hot water.

Preventive Maintenance: Pour in eight ounces of **MARC Natural Orange Crush**. Let stand for one hour and flush with hot water. Keeps drains free from grease and slime.

In garbage disposals, allow to stand for five to ten minutes. Flush with hot water.

Urinals: Pour in urinal and allow to stand overnight, then flush. This will suppress septic odors and clean grime and slime out of the lines.

Gum Remover: **MARC Natural Orange Crush** is excellent for removing gum from carpeting. (Test on an inconspicuous area first to check for damage to carpet.) Spray on gum embedded in carpet and allow to stand for several minutes. Remove gum with a bone knife or the edge of a spoon.

To Control Odors: Pour three to four ounces of **MARC Natural Orange Crush** in one gallon of water. This provides a pleasant odor. Apply to garbage trucks, rubbish piles, dumpsters, garbage cans, locker rooms, etc.

DANGER: Contains orange terpenes and nonionic detergent. Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin and eye irritation. May cause an allergic skin reaction. Very toxic to aquatic life with long-lasting effects. Precautionary Statements—Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves and eye protection. Avoid breathing vapors. Avoid release to the environment. Keep away from heat, sparks, open flames and hot surfaces. No smoking. Keep container tightly closed. Use only non-sparking tools and explosion-proof equipment. Ground/bond equipment. Take precautionary measures against static discharge. IF SWALLOWED: Immediately call a Poison Center or physician. Do NOT induce vomiting. IF ON SKIN OR HAIR: Remove immediately all contaminated clothing, which should not be allowed out of the workplace. Wash skin and hair with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If symptoms persist, call a physician. IN CASE OF FIRE: Use CO₂, dry chemical or foam for extinction. Collect spillage. Store locked up in a cool, well-ventilated place. Dispose of in accordance with federal, state and local regulations. KEEP OUT OF REACH OF CHILDREN!

HMIS/NFPA Ratings: Health-2, Flammability-2,
Reactivity-1. MADE IN USA.
