

## TECHNICAL DATA SHEET

**Product Name:** RUST-AWAY

**Product Number:** MARC 259

Form: liquid

Odor: mild

Color: opaque yellowish white

Product Type: polymer with rust converter

Specific Gravity: 1.10

Weight per Gallon: 9.2 pounds

Viscosity: medium

Coverage: approximately 500 square feet per gallon

Typical Drying Time to Touch: 30 minutes

Typical Drying Time to Recoat: 4 hours

Flash Point: none

VOC Content: 80 grams per liter

Gloss: moderate

Durability: excellent

Storage Stability: excellent

Minimum Application Temperature: 50°F.

Freezability: keep from freezing
