

TECHNICAL DATA SHEET

Product Name: IMPULSE BIOLOGICAL FLOOR CLEANER

Product Number: MARC 263

Color: virtually colorless – no dyes added

Fragrance: a combination of orange, lime, pineapple, lily, rose, gardenia,
cedarwood and orange flower

Specific Gravity: 1.00

Weight per Gallon: 8.34 pounds

pH: 7 to 8 (neutral)

Bacterial Concentration: over 200 billion Colony Forming Units (CFUs) per gallon

Bacterial Species: naturally occurring, stabilized Bacillus spores - aerobic and
facultative anaerobic; non-pathogenic

Bacterial Enzymes Produced: amylase, protease, lipase, esterase, urease,
cellulose and xylanase

Odor Counteractant Activity: broad spectrum; even controls odors caused by
hydrogen sulfide, ammonia and amines

Additional Special Features: combines fast chemical action with long-term
benefits of microbes; contains carpet and fabric
anti-resoil additives

Flash Point: none

Fumes: none

Initial Boiling Point: 212° F

Solubility in Water: complete

Storage Stability: excellent

Rev. 0313
