

MARC Impulse Biological Floor Cleaner is a specially formulated concentrated liquid floor cleaner containing an optimized combination of bacteria and detergents for superior deep cleaning action. **MARC Impulse Biological Floor Cleaner** cleans a wide variety of hard surfaces. The neutral pH means it will not harm floor finishes. The unique blend of bacteria will break down a broad spectrum of organic materials and soils including greases, oils, fats, proteins, starches and carbohydrates. **MARC Impulse Biological Floor Cleaner** deodorizes as it cleans, leaving the area smelling pleasant and fresh. It is also an excellent product for removing ice melter residue without affecting floor finishes.
