

TECHNICAL DATA SHEET

Product Name: SQUEAKY CLEAN

Product Number: MARC 264

- Specifically designed for maintaining wooden floors, especially gym floors.
- Contains no ammonia, "butyl", petroleum distillates or chlorinated solvents.
- Will restore luster to the floor while removing dirt, body oils, spills and perspiration.
- May be used to "TACK" floor.
- Excellent for damp mopping.
- No rinsing required.
- Economically dilutes with water – two to four ounces per gallon.
- Reduces slipperiness and film formation on gyms.
- Will not harm wooden floor finishers.
- Low odor.

Characteristics:

Active Contents: Detergent, alcohol, water softener

Specific Gravity: 0.97

Density: 8.1 pounds per gallon

Flash Point: 110°F.

Color: Light orange

Scent: Mild

Viscosity: Thin liquid

pH: Neutral

Phosphates: None

Free Alkali: None

Miscibility with Water: Complete

Freeze/Thaw Stable: Yes

Storage Stability: Excellent
