

TECHNICAL DATA SHEET

Product Name: SPEED WIPES PLUS

Product Number: MARC 280

MARC Speed Wipes Plus are ready-to-use pre-moistened towels with a high-powered, multi-purpose formula that lifts away grease, tar, adhesives, wax, ink, paint and lubricants from hands and other non-porous surfaces. The superior performance is ideal for use on hands, tools and equipment. Natural oils and an emollient are safe for hands and skin, and will not cause drying, unlike similar products. Non-scratching towel is abrasive on one side and smooth on the other. **MARC Speed Wipes Plus** can replace shop towels, dry wipes, paper towels and rags.

These non-scratching, citrus scented towels are designed with industry in mind. It's the perfect product when you don't have access to soap and water. No rinsing, drying or residue. Scrub soiled surfaces with abrasive side of towel until the soil is loosened. Use the smooth side to wipe surfaces clean.

Each easy-to-use durable dispensing canister contains 70, 9.5" x 12" tough dual-textured purple-colored pre-moistened towels which lock in dirt.
